I Shake

<https://www.ishake.in/>

As experts of manufacturing, wholesaling and trading of Shaker Bottles, Fitness Jewelry, iShake has established a name of trust in the market. We offer a wide variety of bottles that are superb on design, material and quality front.

About Us

I Shake the leading **Manufacturing. Wholesaling and Trading** of highly demanded Shaker Bottles and Gym Bag commenced its business operations in the year **2015**. With an impactful approach to present unmatched quality, we are broadening our product portfolio, which includes widely preferred range of Protein Shaker Bottles, Gym Bags, Ice Packs, Gym Jewellery and Plastic Drawer. Our offered products are rendering positive notions across the country as we make sure to implement modernized manufacturing techniques to present quality products that are BPA free, 100% leak-proof, easy to carry, freezer safe, microwave safe, designed with excellence and can be ordered at a competitive price.

Owing to our strenuous efforts we have attained groundbreaking success and for that reason we are engaged in garnering the demanding specifications of health conscious customers. We have developed a state of art manufacturing processes that provides us fully optimized environment for developing and packaging of quality products for a vast clientele. Further, our client focused founding principles makes us accountable to improve the product quality and bring forth new and innovative designs every time. And, all our attempts to success are supported by industry leading vendors that provide us with best in class raw materials that strengthens our brand image.

Our leader **Mr. N. Gaba** is backed with strong business acumen and...
